IHRB

Tipperary (F) Point to Point Meeting Saturday 2nd November 2024

4yo Mares Maiden

The Acting Stewards received a report from Ms Nicola O'Connor, IHRB Veterinary Officer, that she could not positively identify Bar Nonie, a declared runner in this race, as the microchip number in the horse presented to run did not correspond with the microchip number in the horse's passport. Ms O'Connor added that the microchip scanned in the horse presented to run appeared to be that of Whatsupnellie.

Evidence was also heard from Eric Larkin, Handler of Bar Nonie, who accepted that the wrong horse had been produced to run at the meeting, he added that he had previously trained Whatsupnellie and both horses were owned and bred by the same owners.

Having considered the evidence, the Acting Stewards ordered the withdrawal of Bar Nonie and referred the matter to a Senior Racing Official for further investigation.

Limerick (F) Point to Point Meeting Sunday 3rd November 2024

6yo & Upwards Geldings Maiden

The Acting Stewards interviewed Mr P.A. King, rider of The Last Minute, placed second, concerning his use of the whip in the latter stages of this race. Evidence was heard from the rider concerned who accepted that he had used his whip with excessive frequency but stated that he had used his whip down the shoulder for correctional purposes.

Having viewed a recording of the race and considered the evidence, the Acting Stewards were satisfied that Mr King had used his whip down the shoulder for correctional purposes and as his remaining use of the whip was not in breach of Regulation 58.3 (g), took no further action.

STANDARD CONDITIONS

The Racing Calendar Office of Weatherbys Thoroughbred Ltd. receives entries submitted for acceptance as agents for the Racecourse Authority and only upon the terms of the Standard Conditions. Acceptance of entries is subject to the power to refuse to allow entries to be accepted conferred by the Orders and Rules of Racing on the British Horseracing Authority Ltd. Entries are accepted by the Racing Calendar Office, acting as aforesaid, causing the name of the horse in question to be published as being entered for the race in question either in The Racing Calendar, when the race closes more than six days before running, or, for other races, on the British Horseracing Authority Racing Administration Internet site (www.racingadmin.co.uk) and ordinarily in the Sporting Press.

For further details on Standard Conditions, reference should be made to "Standard Conditions" on the Racing Bulletin area of the Racing Administration Internet site (www.racingadmin.co.uk) for the full details.

FRANCE - Owners and trainers of horses trained outside of France are reminded that, to enter any horse in a French race for the first time, they must register their horses in training through their access online at least 8 days before the closing time of entry, with the correct name of the horse, its suffix, sex, year of foaling and pedigree (sire, dam and sire of dam).

This declaration is not considered as an entry. Trainers are to make their entries and other declarations directly online. They must also supply a complete race record of all the performances of the horse(s) entered on the Internet, by fax (33 1 47 61 93 37) or email (fgperf@france-galop.com). The entry will not be valid if these performances are not received by the international department at Racing Operations by the time of the first forfeit, or on the eve of the declaration to run (if entries were made more than a month before the race). When declaring a horse to run, it is the responsibility of the trainer to check the weight carried.

Italy - Owners and trainers of horses trained outside Italy are informed that, the first time they enter any horse to run in Italy, they must include with the entry the correct name, sex, year of foaling, pedigree (sire, dam and sire of dam) and the name of the country where the horse was foaled.

Owners and Trainers are reminded that the foreign race conditions published below are based upon information supplied by the relevant authority. For more detailed race conditions please refer to the relevant authorities racing administration website.

This race will be restricted to 17 runners plus 2 reserves. The 2 reserves will be nominated as R18 and R19.

The procedure for the allocation and operation of the reserves protocol will be as detailed in the notice headed 'Reserves' which has been published in The Racing Calendar and which also appears on the BHA Racing Administration Internet site.

The British Horseracing Authority will amend paragraphs 34 to 38 of the Weights and Handicapping Code and paragraphs 62 to 65 of the Race Entry Code in the event that raising of the weights at the 24 hour stage proves necessary. Trainers are reminded of the provisions of paragraphs 41 of the Race Entry Code which require that they must notify the Racing Calendar Office immediately when the decision has been made not to run. This will maximise the list of runners and determine whether the weights will need to be raised.

The British Horseracing Authority has modified the Rules of Racing as a consequence of providing two reserves for the December Gold Cup (A Handicap Steeple Chase).

The non-runner penalty will be waived for any horse which is deemed a non-runner by 1.00 p.m. on the day before the race.

The Raceday Stewards reviewed an incident shortly after leaving the stalls involving Merchants Arch, ridden by S. Foley, unplaced, and Source Code (FR), ridden by D. McMonagle, placed first, where it appeared Merchants Arch ran short of room and had to take back. Having viewed the recording of the race and considered the matter, the Raceday Stewards were satisfied that no further action was warranted.

The Raceday Stewards requested a report from Joseph Patrick O'Brien, trainer, as to the apparent improvement in form of Source Code (FR), placed first, as compared with his recent form. Damien Byrne, Authorised Representative for the trainer concerned, stated that the application of first-time blinkers had helped to bring about the apparent improvement in form. J.M. Sheridan, rider of Coulstys Way, trained by Patrick Magee, reported to the Clerk of the Scales that his mount never travelled.

335D Corrib Food Products M'dn The Raceday Stewards reviewed an incident in the closing stages involving Modern Talking (GB),

The Raceday Stewards enquired into the apparent improvement in form of Rhythm King, trained by Mark Fahey, placed first, compared with his recent form. Evidence was heard from the trainer concerned who stated that he had given his charge a break after some disappointing runs, and he had also come down in the handicap. He further added that his charge can be a difficult individual but has always worked well at home and concluded by stating that he was not surprised by the win. Evidence was also heard from Mr. M. Bird, IHRB Handicapper, who stated that Rhythm King had a good season last year but had beaten only one of fifty-five opponents this year and today's performance represented a significant improvement in form and the horse was well backed today. Having considered the matter, the Raceday Stewards noted the explanation given and took no further action.

335F Galway H'cap Siobhan Rutledge, rider of Narlita (GER), trained by H. Having considered the report, the Raceday Stewards noted the explanation given.

T.P. Harney, rider of Not My Problem (GB), trained by Ross O'Sullivan, reported to the Clerk of the Scales that his mount stopped quickly.

Desmond McDonogh, trainer of Verbal Sparring, reported to the Office of the Irish Horseracing Regulatory Board that his mount had scoped badly.

334D Racing TV M'dn H'dle The Raceday Stewards enquired into possible interference between the last two hurdles and again after the last involving Depalma, ridden by C. Stone-Walsh stated that he got carried across the track. He further added that he got bumped a couple of times before and after the last hurdle. B. He concluded by stating he felt the best horse won. Having viewed the recording of the race and

considered the evidence, the Raceday Stewards were of the opinion that while One Big Boum had caused interference to Depalma he did not improve his finishing position as a result of this interference, so they made no alteration to the Judge's placings. Hayes was in breach of Rule 214 in that he had ridden improperly and, having considered his record in this regard (first offence), the Raceday Stewards suspended him for seven racedays.

Cleary, rider of Honky Tonk, had weighed in 1.4lbs overweight. Evidence was heard from the rider concerned who stated that he had a drink which may have explained the discrepancy in weight. Having considered the evidence, the Raceday Stewards were satisfied that Mr. S. Cleary was in breach of Rule 230(iii) and, having considered his clean record in this regard, they cautioned him on this occasion.

GENERAL INFORMATION The following Raceday Stewards acted on behalf of the Irish Horseracing Regulatory Board at this race meeting:

Mr. Emmet Halley (Chairman),
