Point to Point Stewards Enquiry

Duhallow (F) Kanturk Point to Point Meeting Monday 30th December 2024

5 & 6yo Mares Maiden

The Acting Stewards interviewed Mr R. Sugrue, rider of A Pleasant Surprise, placed first, concerning his use of the whip in the latter stages of this race. Evidence was heard from

the rider concerned who accepted he was in breach of the relevant Whip Regulations.

Having viewed a recording of the race and considered the evidence, the Acting Stewards were of the opinion that the rider was in breach of Regulation 58. 3.(g) in that he had used the whip with excessive frequency and Regulation 58. 3.(i) in that he had used the whip without allowing his mount at least three strides to respond. Having taken his previous record into consideration, the Acting Stewards suspended Mr R. Sugrue for three Point to Point racedays.

Telephone: 0044 1933 440011
Fax: 0044 1933 276 151

STANDARD CONDITIONS

The Racing Calendar Office of Weatherbys Thoroughbred Ltd. receives entries submitted for acceptance as agents for the Racecourse Authority and only upon the terms of the Standard Conditions. Acceptance of entries is subject to the power to refuse to allow entries to be accepted conferred by the Orders and Rules of Racing on the British Horseracing Authority Ltd. Entries are accepted by the Racing Calendar Office, acting as aforesaid, causing the name of the horse in question to be published as being entered for the race in question either in The Racing Calendar, when the race closes more than six days before running, or, for other races, on the British Horseracing Authority Racing Administration Internet site (www.racingadmin.co.uk) and ordinarily in the Sporting Press.

For further details on Standard Conditions, reference should be made to "Standard Conditions" on the Racing Bulletin area of the Racing Administration Internet site (www.racingadmin.co.uk) for the full details.

FRANCE - Owners and trainers of horses trained outside of France are reminded that, to enter any horse in a French race for the first time, they must register their horses in training through their access online at least 8 days before the closing time of entry, with the correct name of the horse, its suffix, sex, year of foaling and pedigree (sire, dam and sire of dam).

This declaration is not considered as an entry. Trainers are to make their entries and other declarations directly online. They must also supply a complete race record of all the performances of the horse(s) entered on the Internet, by fax (33 1 47 61 93 37) or email (fgperf@france-galop.com). The entry will not be valid if these performances are not received by the international department at Racing Operations by the time of the first forfeit, or on the eve of the declaration to run (if entries were made more than a month before the race). When declaring a horse to run, it is the responsibility of the trainer to check the weight carried.

Italy - Owners and trainers of horses trained outside Italy are informed that, the first time they enter any horse to run in Italy, they must include with the entry the correct name, sex, year of foaling, pedigree (sire, dam and sire of dam) and the name of the country where the horse was foaled.

Owners and Trainers are reminded that the foreign race conditions published below are based upon information supplied by the relevant authority. For more detailed race conditions please refer to the relevant authorities racing administration website.

The Stewards fined the following trainers in respect of non-runners:

Padraig Roche, trainer of Ernie From Nurney (late withdrawal) - €200.

Padraig Roche, trainer of Spread Your Wings (late withdrawal) - €200.

The Stewards authorised the following nomination and substitution of riders at this meeting:

A. Balfe rode Naughty Aimee (reserve), trained by Patrick Downey (Race 5).

Mr. J.H. Williamson rode Shing Shilla (reserve), trained by Adrian Sexton (Race 6).

S.D. Torrens replaced M.J.M O'Sullivan on Cullig, trained by Patrick T. Foley (Race 4)(injured).

378A Bar One Racing 100 Acca Boost Beginners S'chase

The Raceday Stewards enquired into an incident early in the home straight involving Blizzard Of Oz, ridden by D.E. Mullins, placed third, Lombron (FR), ridden by S.F. O'Keefe, placed fourth, and Staffordshire Knot, ridden by Sam Ewing, unplaced, where it appeared Lombron ran short of room momentarily. Evidence was heard from the riders concerned. S.F. O'Keefe stated that it got tight from both sides and he had to take back but he was not travelling well enough to fill the gap. D.E. Mullins stated that he held his line the whole way up the straight. Sam Ewing stated that he kept as straight as possible. Having viewed the recording of the race and considered the evidence, the Raceday Stewards gave D.E. Mullins the benefit of the doubt on this occasion and took no further action.

P.J. O'Hanlon, rider of Ottoman Style (GB), trained by Dermot Anthony McLoughlin, reported to the Clerk of the Scales that his mount never travelled.

The IHRB Veterinary Officer examined Ottoman Style (GB), trained by Dermot Anthony McLoughlin, at the request of the Raceday Stewards and reported the animal to be clinically abnormal post-race.

At the request of the Raceday Stewards, K.M. Donoghue, rider of Ataboycharlie, trained by Edward Cawley, reported to the Stewards' Secretaries that his mount jumped left throughout.

378B Kieron Gammel Naas Member H'cap S'chase

The Raceday Stewards granted a request from John Patrick Ryan, trainer of Marlpark and Love Like This, for an additional ten minutes to present his runners for identification by an IHRB Official in accordance with the provisions of Rule 90.

378C Sign Up To GavinLynchRacing.com M'dn H'dle

The Raceday Stewards received a report from IHRB Veterinary Officer, Ms. J. Taylor, that she was unable to positively identify Krak, trained by S.R.B. Crawford. Evidence was heard from the IHRB Veterinary Officer and Ross Crawford, Authorised Representative for S.R.B. Crawford. Ms. J. Taylor stated that she was unable to identify the horse as she could not find the microchip. Ross Crawford stated that he was unable to account for the missing microchip as they had not encountered the problem before. Having considered the evidence, the Raceday Stewards ordered the withdrawal of Krak under Rule 90(iv) and referred the matter on to a Senior Racing Official.

378D Bar One Racing Guar. Multiples M'dn H'dle

The IHRB Veterinary Officer examined Hearts And Spades (FR), trained by C.A. Murphy, at the request of the Raceday Stewards and reported the animal to be post-race normal.

The Raceday Stewards interviewed K.M. Donoghue, rider of Hills Of Glory, concerning his use of the whip in the closing stages of this race. Evidence was heard from the rider concerned, who accepted he was in breach of the Whip Regulation and apologised for his actions. Having viewed a recording of the race and considered the evidence, the Raceday Stewards were satisfied that K.M. Donoghue was in breach of R.10.3(g)(frequency), and having considered his clean record in this regard, they suspended him for two racedays.

E. Walsh, rider of Battle Roar, trained by Ciaran Murphy, reported to the Clerk of the Scales that his mount stopped quickly.

W.J. Burke, trainer of Kerlogue, reported to the Stewards' Secretaries that his charge was found to have mucous in his trachea following endoscopic examination.

378F John Thomas McNamara Series (QR) H'cap H'dle

The Raceday Stewards interviewed M. Flannery, trainer of Cornmarket, regarding the late arrival of the horse into the Parade Ring without permission to do so, and also the animals late arrival at the start which contributed to a delay to the off time in this race.
