## **HOW TO READ FORM**

- a) Number Of Meeting refers to the official number designated by Horse Racing Ireland
- b) (R-H) Or (L-H) before the description of the going denotes whether the track is right handed or left handed.
- c) If Starting Stalls are used this is indicated. However, if starting stalls are not used, then tape/flag start will be indicated in flat races.
- d) The Figure on the left of each horse's name indicates the number of the race in which that particular horse last ran. Brackets ( ) represent a win and a figure -2, -3, -4 or -5 represents second, third, fourth or fifth. The letter 'D' after a prefix figure indicates disqualified.
- e) Examples: (i) 106-2D-3. The horse finished second but was disqualified and placed third.  
(ii) 106-2D. The horse finished second but was disqualified and placed last.
- f) Age of horse and weight carried are indicated after the trainer's name e.g. 5, 11-10 (five year old carrying eleven stone, ten pounds). If a race is confined to one age group only this is indicated in the name of the race. Allowances, Over-weights and penalties are clearly indicated.
- g) Distances: The official distances between the 1<sup>st</sup> and 2<sup>nd</sup>, 2<sup>nd</sup> and 3<sup>rd</sup>, 3<sup>rd</sup> and 4<sup>th</sup>, 4<sup>th</sup> and 5<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> and in races with a total value of €40,000 or more the distance between the 6<sup>th</sup> and 7<sup>th</sup> is also given - in addition extended distances are provided by the photo finish team. All distances are indicated between the rider's name and the placing figure for the horse.
- h) BLINKERS, VISOR, HOOD, EYESHIELD, EYECOVER, CHEEK PIECES and TONGUE STRAP are indicated by (B), (V), (H), (Es), (Ec), (C) or (T/S) respectively after the horse's weight. (Please see descriptive illustrations on next page).
- i) HURDLES and FENCES are usually not mentioned in the comments. 'Fell 2 out' means fell two hurdles or fences from the finish, as the case may be; 'prom till 2f out' means prominent until two furlongs out.
- j) RACE TIMES are given where the official timing system is in operation and the ten year AVERAGE TIMES for each individual distance are also listed where possible. OWNER, TRAINER, BREEDER, OFF TIMES, NUMBER OF FENCES OR HURDLES IN A RACE, TOTE BETTING and BOOKMAKER BETTING are all clearly indicated and do not need explanation here.
- k) FOREIGN RACES: It is not always possible to insert foreign races involving Irish trained horses in strict date order. Races outside Ireland in which Irish trained horses compete are denoted by letters e.g A, B, or C etc. after the race Index number.
- l) In flat handicap races for 3-Y-O and Upwards, any weight for age allowance is shown in the race header after the distance of the race.
- m) The trainer's name is shown before the age of the horse.
- n) A rating figure (if any) is shown in brackets after the name of the horse.
- o) **In Handicap Races:**  
The figure shown after the horse name is the Rating at the time of calculation of weights, including the following adjustments (if any):-
  - (i) Penalties incurred since the calculation of weights.
  - (ii) After time of declarations under Rule 194, the number of lbs out of the handicap (if any).
- p) **In Non-Handicap Races:**  
The Rating shown is the Current Rating on raceday.
- q) **In All Races:**  
No adjustments to this Rating figure is made for:
  - (i) Weight for age
  - (ii) Riders allowances
  - (iii) Overweight/Underweight carried by the rider.
