STANDARD CONDITIONS

The Racing Calendar Office of Weatherbys Thoroughbred Ltd. receives entries submitted for acceptance as agents for the Racecourse Authority and only upon the terms of the Standard Conditions. Acceptance of entries is subject to the power to refuse to allow entries to be accepted conferred by the Orders and Rules of Racing on the British Horseracing Authority Ltd. Entries are accepted by the Racing Calendar Office, acting as aforesaid, causing the name of the horse in question to be published as being entered for the race in question either in The Racing Calendar, when the race closes more than six days before running, or, for other races, on the British Horseracing Authority Racing Administration Internet site (www.racingadmin.co.uk) and ordinarily in the Sporting Press.

For further details on Standard Conditions, reference should be made to "Standard Conditions" on the Racing Bulletin area of the Racing Administration Internet site (www.racingadmin.co.uk) for the full details.

FRANCE - Owners and trainers of horses trained outside of France are reminded that, to enter any horse in a French race for the first time, they must register their horses in training through their access online at least 8 days before the closing time of entry, with the correct name of the horse, its suffix, sex, year of foaling and pedigree (sire, dam and sire of dam).

This declaration is not considered as an entry. Trainers are to make their entries and other declarations directly online. They must also supply a complete race record of all the performances of the horse(s) entered on the Internet, by fax (33 1 47 61 93 37) or email (fgperf@france-galop.com). The entry will not be valid if these performances are not received by the international department at Racing Operations by the time of the first forfeit, or on the eve of the declaration to run (if entries were made more than a month before the race). When declaring a horse to run, it is the responsibility of the trainer to check the weight carried.

Italy - Owners and trainers of horses trained outside Italy are informed that, the first time they enter any horse to run in Italy, they must include with the entry the correct name, sex, year of foaling, pedigree (sire, dam and sire of dam) and the name of the country where the horse was foaled.

Owners and Trainers are reminded that the foreign race conditions published below are based upon information supplied by the relevant authority. For more detailed race conditions please refer to the relevant authorities racing administration website.

Ewing stated that he was on the rail throughout and there was no room on his inner. G. Brouder stated that Broomfield Bijou jumped slightly left and he maintained a straight line down his inner. Having viewed the recording of the race and considered the evidence, the Raceday Stewards found G. Brouder, was in breach of Rule 214 in that he had ridden carelessly. Having considered his record in this regard (first offence), the Raceday Stewards suspended G. Brouder for two racedays.

S. Ewing, rider of Broomfield Bijou, trained by J.P. Dempsey, reported to the Clerk of the Scales that his mount was hampered turning in.

The Raceday Stewards requested a report from Gavin Cromwell, trainer, as to the apparent improvement in form of La Malmason, placed first, as compared with her recent form. Gavin Cromwell stated that La Malmason had undergone a procedure for a kissing spine during a break in training and this may have brought about the apparent improvement in form. Having considered the report, the Raceday Stewards noted the content of the report.

The Raceday Stewards reviewed an incident on the approach to the second last involving Sainte Dona (FR), ridden by D. Meyler, unplaced, and Deons Diamond, ridden by G. Brouder, placed fourth, where it appeared there was contact between the two. Having viewed the recording of the race and considered the matter, the Raceday Stewards were satisfied that no further action was warranted.

367C Bar One Racing Porterstown H'cap S'chase The IHRB Veterinary Officer examined My Immortal, trained by Barry Connell, at the request of the Raceday Stewards and reported the animal to be post race normal.

367D Bar One Racing Royal Bond Novice H'dle The Raceday Stewards interviewed J.G. Gilligan, rider of Zeeband, concerning his use of the whip in the closing stages of this race. Evidence was heard from the rider concerned, who stated that he was not sure how many horses were in front of him and he thought he was riding for sixth place. Having viewed a recording of the race and considered the

evidence, the Raceday Stewards gave J. G. Gilligan the benefit of the doubt on this occasion and took no further action.

367G Bar One Racing H'cap H'dle M.M. McDonagh, rider of Little Mixup, trained by Denis Gerard Hogan, reported to the Clerk of the Scales that his mount jumped poorly and was pulled up.

367H Bar One Racing (Pro/Am) INH Flat Race The Raceday Stewards interviewed Gordon Elliott, trainer, of Koktail Brut, who was withdrawn yesterday due to the ground, officially described as yielding, good to yielding in places and was running today on ground officially described as the same. Evidence was heard from the trainer concerned, who stated that he had walked both tracks and he felt the ground on today's track, which is a totally different track, was slower than yesterdays, but still not soft enough for He Can't Dance. Furthermore, Gordon Elliott requested to substitute Paddy Cleary with Mr. H.C. Swan as his intended mount was a non runner. Having considered the evidence, the Raceday Stewards allowed the substitution of rider on this occasion, as provided for under the provisions of Regulation 3, and took no further action.
