STANDARD CONDITIONS

The Racing Calendar Office of Weatherbys Thoroughbred Ltd. receives entries submitted for acceptance as agents for the Racecourse Authority and only upon the terms of the Standard Conditions. Acceptance of entries is subject to the power to refuse to allow entries to be accepted conferred by the Orders and Rules of Racing on the British Horseracing Authority Ltd. Entries are accepted by the Racing Calendar Office, acting as aforesaid, causing the name of the horse in question to be published as being entered for the race in question either in The Racing Calendar, when the race closes more than six days before running, or, for other races, on the British Horseracing Authority Racing Administration Internet site (www.racingadmin.co.uk) and ordinarily in the Sporting Press.

For further details on Standard Conditions, reference should be made to "Standard Conditions" on the Racing Bulletin area of the Racing Administration Internet site (www.racingadmin.co.uk) for the full details.

FRANCE - Owners and trainers of horses trained outside of France are reminded that, to enter any horse in a French race for the first time, they must register their horses in training through their access online at least 8 days before the closing time of entry, with the correct name of the horse, its suffix, sex, year of foaling and pedigree (sire, dam and sire of dam).

This declaration is not considered as an entry. Trainers are to make their entries and other declarations directly online. They must also supply a complete race record of all the performances of the horse(s) entered on the Internet, by fax (33 1 47 61 93 37) or email (fgperf@france-galop.com). The entry will not be valid if these performances are not received by the international department at Racing Operations by the time of the first forfeit, or on the eve of the declaration to run (if entries were made more than a month before the race).

When declaring a horse to run, it is the responsibility of the trainer to check the weight carried.

Italy - Owners and trainers of horses trained outside Italy are informed that, the first time they enter any horse to run in Italy, they must include with the entry the correct name, sex, year of foaling, pedigree (sire, dam and sire of dam) and the name of the country where the horse was foaled.

Owners and Trainers are reminded that the foreign race conditions published below are based upon information supplied by the relevant authority. For more detailed race conditions please refer to the relevant authorities racing administration website.
