Acceptance of entries is subject to the power to refuse to allow entries to be accepted conferred by the Orders and Rules of Racing on the British Horseracing Authority Ltd. Entries are accepted by the Racing Calendar Office, acting as aforesaid, causing the name of the horse in question to be published as being entered for the race in question either in The Racing Calendar, when the race closes more than six days before running, or, for other races, on the British Horseracing Authority Racing Administration Internet site (www.racingadmin.co.uk) and ordinarily in the Sporting Press.

For further details on Standard Conditions, reference should be made to "Standard Conditions" on the Racing Bulletin area of the Racing Administration Internet site (www.racingadmin.co.uk) for the full details.

349F John Thomas McNamara Series (QR) H'cap H'dle The Raceday Stewards interviewed Mr. C.A. Bowman, rider of Politicise, concerning his use of the whip in the closing stages of this race. Evidence was heard from the rider concerned who accepted he was in breach of the whip Regulation and apologised for his actions. Having viewed a recording of the race and considered the evidence, the Raceday Stewards were satisfied that Mr. Bowman was in breach of R.10.3 (b)(hitting their mount when out of contention). Having considered his clean record in this regard, they suspended him for three racedays.

Mullins stated that when he struck his mount he went right, but he corrected him immediately. He further added that he could only see the horse on his inside and not the horse on the rail. Having viewed the recording of the race and considered the evidence, the Raceday Stewards were of the opinion that while Full Confession had caused interference to Milo Miller and Youlita, he did not improve his finishing position as a result of this interference so they made no alteration to the Judge's placings.
